

OUR MISSION, VISION & VALUES

The Southampton Hospital Foundation, Inc.

The Southampton Hospital Foundation, Inc., a separate nonprofit corporation with an independent Board of Trustees, supports Stony Brook Southampton Hospital's mission to deliver healthcare services and expand clinical programs to meet the needs of the community. The Foundation concentrates its efforts on increasing critical philanthropic support to ensure high-quality healthcare for all our neighbors on the East End.

Stony Brook Southampton Hospital delivers world-class, compassionate care to our patients, advances our understanding of the origins of human health and disease, and educates the healthcare professionals and biomedical investigators of the future, so they can bring the fruits of scientific discovery to our patients.

The **Vision** of Stony Brook Southampton Hospital is to meet the evolving healthcare needs of its Eastern Long Island community by providing access to a continuum of high-quality clinical services.
